Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

1. The following NOTICE OF NON-RESPONSIVE AMENDMENT is in response to Applicant's submission received May 12, 2008. Claims 1-14 were amended. Claims 15-28 were canceled. Claims 29-33 were added.

Election/Restrictions

2. Newly submitted claims 29-33, and amended claims 1-14 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the newly presented claims have shifted away from the scheduling arts, and are now directed towards communications.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1-14 and 29-33 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

3. The amendment filed on May 12, 2008 canceling or amending all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03).

4. Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the
